	<i>SCORE: Bounce in the corner.</i>
	<i>PERFORMANCE SUGGESTIONS: 1) Perform a capella 2) do as counterpoint to a friend's karaoke performance 3) do to the organ accompaniment of Thunder and Blazes, She-Bop, or The Star Spangled Banner 4) Consider volunteering to do this for an hour straight, in the background, while we continue to run down the list and others perform in front of you. As if you are a live set-piece. Or our pet! Which you are, BTW. (Who's our liddle doggie??? YOU'RE ARE LIDDLE DOGGIE!!! YES YOU ARE!!!!) 5) Perform this simultaneously with Nauman's Clown Torture: Clown #2, and groan "no no no no no" while you bounce, wearing clown makeup improvised with lipstick and eye shadow. At this point, you will be Our Hero.</i>
BRUCE NAUMAN	Clown Torture: Clown #2 (1987) <i>(curated by Mike Pham)</i>
	<i>SCORE: A clown writhes on the ground, unable to get up, hoarsely shouting "No no no no no no." Do this for 30 precise seconds.</i>
	<i>PERFORMANCE SUGGESTIONS: 1) No mic, no megaphone. You're on the ground, clown. 2) No need to be at the front of the room. Get spatial, clown. 3) Clown Choir! Get 5 people and spread yourselves out - in the bar, at a table, in the bathrooms, behind the organ monkey - and groan simultaneously. 4) This whole thing is a lot more interesting / eerie if we can't see you or where the "no's" are coming from 5) Consider remixing this piece and not shouting, but getting 12 clowns, all on the floor, whispering or murmuring "no no no no no" (...on second thought - don't. Too unsettling.) 6) Borrow someone's lipstick / eyeshadow and dress the part for this piece.</i>

	<i>You do not need to sign the sheet to perform this - do it at any time that the audience is getting out of control. State these with a firm sense of authority into the megaphone, aimed at the whole FFOK audience. Cuz let's face it: these scofflaws need to CHILL. Make sure the audience responds to your final question: "Do you understand these rights as they have been read to you?". Then - cuff 'em all, Officer.</i>

You sing a rhythmic version of that 5-note motif, I'll play it back. Vary the rhythm each time. Try to trip me up. Give me 10 different variations. If I win, you have to enter the mothership, never to be seen again. I get to keep all the WWII vets for scientific research.</i>
STEVE REICH	Clapping Music - Phases I - III

FLUXUS	
EMMETT WILLIAMS (FLUXUS)	Duet for Performer and Audience (1961)
	The Score:
	<i>Performer waits silently on stage for audible reaction from audience, which he then imitates.</i>
	You'll have 2 minutes.
YOKO ONO	Voice Piece For Soprano (1961)
	The Score:
	<i>Scream: 1) against the wind 2) against the wall 3) against the sky</i>
	You have 10 seconds to perform all three movements. No microphone. No megaphone. All bareback.
REPERFORMANCE: CLASSIC 60s, 70s AND 80s PERFORMANCE ART WORKS	
VITO ACCONCI	Undertone (1972) (curated by Mike Pham)
	<i>SCORE: Sit at a table, facing the audience, with your lower body under the table. State: "I want to believe there is a man (or woman) here under the table rubbing my thighs." Continue to describe, in detail, your fantasy of what this man (or woman) [or both!] are doing to you under the table. Close your eyes. From time to time, open your eyes, and face the audience, and tell them that you need them there, that you need someone to talk to, and for them to please not go. Continue this cycle for 3:30 - like a pop song! (which it is). Organ Monkey can accompany you with an instrumental, or you can perform a capella.</i>
MARIA AMBROVIC / ULAY	Aaa-Aaa (1978) (curated by Mike Pham)
	<i>SCORE: A Romantic Duet! Facing each other, a couple screams in each others' face until the Organ Monkey says stop. No megaphone, no microhphone, no accompanied music. NOTE: The Organ Monkey has more patience than you have endurance. (See also: SOLO PIECE FOR SOPRANO by Yoko Ono)</i>
BRUCE NAUMAN	Clown Torture: Clown #2 (1987) (curated by Mike Pham)
	<i>SCORE: A clown writhes on the ground, unable to get up, hoarsely shouting "No no no no no no." Do this for precisely 30 seconds.</i>
	<i>PERFORMANCE SUGGESTIONS: 1) No mic, no megaphone. You're on the ground, clown. 2) No need to be at the front of the room. Get spatial, clown. 3) Clown Choir! Get 5 people and spread yourselves out - in the bar, at a table, in the bathrooms, behind the organ monkey - and groan simultaneously. 4) This whole thing is a lot more interesting / eerie if we can't see you or where the "no's" are coming from 5) Consider remixing this piece and not shouting, but getting 12 clowns, all on the floor, whispering or murmuring "no no no no no" (...on second thought - don't. Too unsettling.) 6) Borrow someone's lipstick / eyeshadow and dress the part for this piece.</i>
BRUCE NAUMAN	Bouncing In The Corner (1968) (curated by Mike Pham)
	<i>SCORE: Bounce in the corner.</i>
	<i>PERFORMANCE SUGGESTIONS: 1) Perform a capella 2) do as counterpoint to a friend's karaoke performance 3) do to the organ accompaniment of Thunder and Blazes, She-Bop, or The Star Spangled Banner 4) Consider volunteering to do this for an hour straight, in the background, while we continue to run down the list and others perform in front of you. As if you are a live set-piece. Or our pet! Which you are, BTW. (Who's our liddle doggie??? YOU'RE ARE LIDDLE DOGGIE!!! YES YOU ARE!!!!) 5) Perform this simultaneously with Nauman's Clown Torture: Clown #2, and groan "no no no no no" while you bounce, wearing clown makeup improvised with lipstick and eye shadow. At that point, you will be Our Hero.</i>

SPACE: THE FINAL FRONTIER

2001: A SPACE ODYSSEY	Main Theme ("Also Sprach Zarthustra" by Richard Strauss) <i>Just go: "Baaaaaa-baaaa-baaaaaaaaaaaaa - BA - BAAAAAAAAA! boom-boom-boom-boom-boom-boom-boom boooooom!" The Organ Monkey will sing along.</i>
CANTINA BAND	Cantina Band theme from STAR WARS <i>There's no lyrics: just bring up four or more of your friends for a 2 minute dance party in the shower.</i>
CLOSE ENCOUNTERS OF THE THIRD KIND	5-Note Alien Communication Motif <i>We play a game of Dueling Banjos. Like the Mattel game Simon. POSSIBLE MEDLEYS AND

MASH-UPS

RJ PAUL	Don't Be Jealous Of My Boogie
<i>plus</i>	
THE COUNTESS LUANN DE LESSEPS	Money Can't Buy You Class (<i>curated by Mike Pham</i>)
	Both of these have the same synth figure / rhythm and beat, which is ripping off "Vogue" anyway.
YOKO ONO	Voice Piece For Soprano (1961)
	The Score: <i>Scream: 1) against the wind 2) against the wall 3) against the sky.</i> You have 10 seconds to perform all three movements. No microphone. No megaphone. All bareback.
<i>plus</i>	
STEVE REICH	Clapping Music - Phase 1 - 3
	Perform simultaneously. Counterpoint, baby.
DAFT PUNK	Around The World
<i>plus</i>	
CALVIN HARRIS	Acceptable In The 80s
	Same key, same beat, similar chord progression, two great dance tunes with minimal lyrics. You are the FFOK DJ! You just created a "set". Pick up your check at the door.
CHEERLEADER FREE SPACE	<i>Know a cheerleader cheer? Then get your sweet pom poms up here and lay it on us. Hell: we got a megaphone up here and everything. Organ Monkey will take a break and do another line of coke.</i>
<i>plus</i>	
COACH'S HALFTIME PEP TALK	<i>Do you think tonight's FFOK isn't going the way it should? Then come up to the front and give us all a good Knute Rockne locker-room pep talk. Organ Monkey will play Notre Dame Victory march behind you. No need to sign up on the list for this: just interrupt the proceedings and shout at us to go give 'em hell.</i>
	Perform simultaneously. It's like an FFOK Halftime Show.
any three TV THEME SONGs	
<i>plus</i>	
any two TV COMMERCIALs	
	Perform three TV THEME SONGs, with a TV COMMERCIAL performed between each one. You just programmed your own TV station - all in the space of a 3:30 pop song. Pick up your check at the door.
TV COMMERCIAL	Meow Mix ("Meow, meow, meow, meow...")
<i>plus</i>	
JEWISH TRADITIONAL	Hava Naglia
	Hasidic kitties! Or perform Hava Naglia with "meow meows".
TRADITIONAL	Bridal Chorus - from "Lohengrin" - Wagner - ("Here comes the bride...")
<i>plus</i>	
TRADITIONAL	Wedding March - Mendelssohn (played as the couple leaves)
	Between these songs, perform a short set of vows. Bam - instant wedding ceremony. Am I suggesting you get married at FFOK? Yes. Yes I am.
SCREAMIN' JAY HAWKINS	I Put a Spell On You
<i>plus</i>	
LESLIE GORE	You Don't Own Me
	A SUGGESTED ONE ACT PLAY: get someone to sing I PUT A SPELL ON YOU first. Then, you sing YOU DON'T OWN ME right after. Both are in F minor, both are a creepy waltz, and the Gore lyrics are responding to the Hawkins lyrics.

POSSIBLE MEDLEYS AND	MASH-UPS contd'
JENNIFER ZWICK	Heart Breakdown <i>(curated by Jennifer Zwick)</i>
<i>plus</i>	
JENNIFER ZWICK	Takin' A Train <i>(curated by Jennifer Zwick)</i>
	It's like you are Jennifer Zwick! Performing a Jennifer Zwick concert! At Key Arena! Try to perform in a Jennifer Zwick persona and style. Do Jennifer Zwick-type audience banter inbetween. (If you are Jennifer Zwick, just be yourself [Hi, Jen!]).
AVRIL LAVIGNE	Girlfriend
<i>plus</i>	
TONI BASIL	Mickey
	Different keys, but both have the same cheerleader beat. Or, consider adding the Mickey chant to the middle-breakdown part of Girlfriend.
